Adult archers

This code of conduct applies to all our members aged 18 and over when they are taking part in or involved in the sport of archery.

Other codes of conduct may also apply, for example for Archery GB team member agreements. In those circumstances, this code of conduct will also still apply.

To protect our reputation, the code also applies to those associated with Archery GB who are involved in archery while outside the UK.

We all have a responsibility to promote high standards of behaviour in archery.

As an archer, you have a big part to play. That is why we are asking every archer to follow a code of conduct.
